

District Legal Service Authority, Dehradun
Organizing
Legal Awareness Program
On
Socio-Legal Aspects of Combating Acid Attack in India
In collaboration with
Siddhartha Law College, Dehradun
On
31st August 2018

Legal Awareness Program on Socio-Legal Aspects of Combating Acid Attack in India has been conceptualized with the basic objective of taking stock of the progress made by India in the sphere of law, and creates a space for discussion on all matters pertaining to socio-legal issues concerning disability after acid attack. Hence, this program is basically intended to open with:

- Hon'ble Shri Abdul Qayyum, Secretary, District Legal Service Authority, Dehradun, will inaugurate the program.
- Hon'ble Shri Durga Prasad, Chairman, Siddhartha Group of Institutions, Dehradun, will preside over the inaugural program
- Skit performance by students of Siddhartha Group of Institutions on acid attack.
- Poster making competition on acid attack among students of Siddhartha Group of Institutions. The proposed prize money to be given to the winners of poster making competition on acid attack are as follows:
 - 1st Prize- Rs. 1500+certificate
 - 2nd Prize- Rs. 1000+certificate
 - 3rd Prize- Rs. 500+certificate
 - Certificate of Participation will be given to all the participations.

This Legal Awareness Program is intended to provide platform for students to share their learning and perspectives on issues concerning socio-legal aspects of combating acid attack in India. The intention is to not only explore the process of accessing justice through litigation and procedural justice practices but also explore matters concerning how the societal constructions indirectly and often directly impacts the lives of acid attack victims.
